PRESIDENT'S CORNER

Well, it has been an interesting year. We faced some challenges as a club through all the different phases of Covid and the regulations. But all in all, we had a successful year of activities and events as we worked with the restrictions. We were able to distribute the monthly newsletter via email - thanks to Barbara Shramek and Judy Fontanella kept the web site up to date. We held our General Meetings outside at Vacation Isle from May-November with several months of hot dogs and treats. We had some fun activities thanks to members volunteering. We continued our Happy Hours, walks, a tour of the Rady Shell, Senior Monday, Coronado Concerts, Moonlight Theatre shows and very successful concerts at the New Rady Shell venue. Our catered picnic was a great success. We again would like to thank all of the members that supported the events and all the members that lead events for the club.

As we look at where to go from here for the General Meetings, we have decided to take a break from the General Meetings for December and January during the holidays. We are looking at what and where to possibly hold General Meetings in the future. The Handlery Bar and Restaurant continues to remain closed. We will keep you posted. We will continue to have Happy Hours and events.

We are pleased to announce that the Board has decided to **suspend the membership dues** for another year. You may recall that we suspended the dues last year during Covid. You will continue to be a member for the calendar year 2022.

We appreciate any suggestions and feedback as we continue to keep our club active and having fun. I would also like to thank all the board members for their time and dedication as we continued to meet this past year both on Zoom and in person.

Wishing you a very Happy Holiday.
Hobe Schroeder and the Board of Torrey Pines Ski Club
