Broadway has a long history of producing songs that become so popular they become standards for all time. Broadway conductor Rob Fisher and the incredibly versatile Broadway vocalist Bryonha Marie, one of the brightest young stars of today's Great White Way, have created a program of just such songs. Wherever these hits came from, this magical, intimate evening at The Shell promises to be a delightful program of music, but presented in remarkably fresh small-group arrangements that are anything but old-fashioned. The San Diego Symphony does not appear in this program. No outside beverages or food allowed but you can purchase on site. **Make your check out to TPSC for \$63.00 and mail to Debbie along with a SASE: Debbie Schroeder, 2331 Darlington Row, La Jolla CA 92037 (debbieschr@aol.com) (cell) 858-336-0887**
