OUR PRESIDENT'S MESSAGE

For those that were unable to attend the Amazon Fulfillment Center Tour, you missed a very interesting display of the latest technology in packaging merchandise for delivery to customers. We saw robots in action and miles of conveyer belts moving pallets of merchandise to various locations to be processed and eventually loaded onto trucks for delivery to their final destination. Many thanks to Brad and Louise for arranging this very enlightening tour.

'Looking forward to seeing you at our September 8th Meeting at De Anza Cove and enjoying a Phil's BBQ lunch!
