APRIL 2012

50th ANNIVERSARY
1962-2012

President's Corner

Thank you very much **Janet Tremaine**, for the excellent presentation on Global Volunteers and your experience in Romania to take care of neglected children. The attendance at the March meeting showed the support of our club. Well done.

As the ski season comes to an end, we are preparing for an exciting summer with the highlight of the year 2012 - our 50th Anniversary on September 11. There are several events which are new to me and possibly new to most of our members. Coming up on April 19 is the Silverwood Wildlife Sanctuary tour in Lakeside, led by **Judy Kaplan**. The sanctuary is owned and operated by the San Diego Audubon Society and boasts to have more than 100 bird and plant species – a must for bird and nature lovers.

Tom Rothenburg is planning a Bocce Ball tournament in Borrego Springs during the weekend of April 14/15. On April 30 we are planning to tour UCSD with a guide. We will learn about the history of the campus and its development since opening in 1960. There will be an optional buffet lunch at the Faculty Club afterwards. **Vonnie Varner** will lead the May Day parade through the San Diego Botanic Gardens (Quail Gardens). Just like the other tours this event will be free. Since it starts early, at 2:00 PM, we are still planning to attend the monthly May 1 meeting on the same day.

See you on the tours.

TPSC 2013 Ski Season

Plan now for our 2013 Ski Trips. At this time the cost estimate for a seven day trip to Big White, Canada would vary between \$1,100.00 to \$1,400.00 depending on time (February or late March-April), condo location and airfare rates at the time of booking. Better information will be available soon. In addition, we have received requests for Vail and Breckenridge. Please let me know your desires...where and when. Thanks for your interest.

THURSDAY, APRIL 19, 2012
11:00 AM
LIMITED TO THE FIRST 20

The San Diego Audubon Society welcomes members of our ski club to the Silverwood Wildlife Sanctuary. It is solely owned and operated by the SD Audubon Society. The Sanctuary is 745 acres of prime chaparral and oak wood and ranges between 1450 and 3177 feet in elevation. Numerous endangered and threatened species thrive in or rely on the Sanctuary. Over 324 native plant species and 124 bird species have been recorded there, as well as numerous reptile and mammal species. The Sanctuary has completely recovered from the 2003 Cedar fire, and it is amazing to see the new non-invasive plants that have grown there since the fire. Our tour leader will be a well known birder in San Diego. The path that we will follow is easy and paced slowly. Good walking shoes are quite adequate (if preferred, wear hiking boots). It is recommended to wear sunscreen and a hat. Please bring a water bottle. If you have binoculars, bring them for birding. Lunch after the tour event at Grossmont Center. We'll decide when we are together if you like to go to the Claim Jumper or Casa de Pico.

Walking Tour of UCSD
MONDAY, APRIL 30, 2012
MEET - 10:15 AM - TOUR -10:30 AM
FREE
LIMITED TO 20

The tour guide is a retired faculty member taking us on a 60-75 minute walking tour of UCSD starting at the faculty club and progress by the various colleges, artwork, etc. It will begin with a bit of history of the campus and its development since opening in 1960. We will start and end the tour in front of the UCSD Faculty Club where we can have an optional buffet lunch (\$12.50) or, nearby at the cafeteria or any of the fast food restaurants.

Carpooling is highly recommended due to limited parking on campus. There is visitor parking at several locations on campus and permits are sold via a machine. However, our tour guide has arranged with the Faculty Club to park in their reserved parking spaces in front of the club since some of us will be eating there. A permit from the club is \$3.00 for three hours. Park in the spaces marked "Reserved – Faculty Club". We will meet at the entrance to the Faculty Club – permits are sold at the reception desk inside the club. Directions to the Faculty Club meeting location will be distributed via email. **You must receive an email confirmation to be on the tour. If you do not, check with Debbie before coming to the tour. On the Lift with Laura

We have a few members who contribute to the club occasionally and Judy Kaplan is one of these. She was born in Gloversville, New York and at age 12 her family moved to DeLand, Florida and then to Daytona Beach. Judy attended Seabreeze High on the ocean side of the Daytona Beach peninsula. Judy went to the University of Florida at Gainesville and majored in Nursing with minors in Humanities and English. She received her BS in Nursing. Judy worked at several hospitals in and around the Miami, Florida area. Eventually Judy missed her family living in New England and moved to Boston and went to work at Massachusetts General Hospital.

She received her Masters in Health Education from Boston University which led her to a teaching job at a Junior High School in Brattleboro, Vermont. While living in Vermont, Judy seriously considered learning to ski but never did. After a year Judy moved to Hewlett, New York on Long Island and took a job as a Public Health Nurse for Nassau County.

Tired of snow she moved to Palm Springs, CA and became a school nurse for the Palm Springs Unified School District working at elementary schools in Palm Springs and Desert Hot Springs.

Enjoying pediatric care, Judy moved to San Diego, studied at UCSD, and became a Pediatric Nurse Practitioner. On receiving this credential, Judy accepted a job as a school nurse with the Sweetwater Union High School District.

Judy is a member of Torrey Pines Ski Club and joined to meet people and to take part in our activities. Judy never did learn to ski and last season went on our Aspen trip to enjoy other events that Aspen has to offer. On return, Judy contributed an article about her experience to our newsletter. Go to our website [www.tpscsd.org] and check the newsletter archive. Her article can be found on page 3 of the April 2011 issue.

This year, on April 19, Judy is organizing a tour to the San Diego Audubon Society's Silverwood Wildlife Sanctuary. Judy has been a member of the Audubon Society most of the time she has lived in San Diego and volunteers every year at their Annual Bird Festival in March. She looks forward to showing us Silverwood. Check the article in the newsletter or on our website and be sure to sign-up with Barbara Shramek to join us.

Couples should send their checks in together and they will be drawn as a pair. All participants must sign a release before departure.
- 2. CANCELLATIONS & REFUNDS.** In the event of your cancellation, a refund will be made only if the seat vacancy is filled or if monies are recovered by the club. There also will be a non-refundable cancellation fee for all cancellations whether or not your spot is filled as follows: \$10 for trips up to \$100; \$20 for trips \$100 - \$300; \$30 for trips above \$300. **There will be an additional \$20 charge for any returned checks.** All departure times, locations, lodging, and other travel arrangements are subject to change without notice.
- 3. WAITING LIST.** On ski trips, those on the waiting list due to the lottery will be accorded priority seating on the trip announced in the following flyer if they inform the trip captain before reservations are confirmed, i.e., the fifth day after the mailing of that flyer.
- 4. CHECKS.** Checks will be destroyed from those not going on that trip due to being on the waiting list.
- 5. CONFIRMATIONS.** You MUST call and confirm your status with the trip captain UNLESS a SASE (self-addressed stamped envelope) is requested in the trip write up. You MUST include your work and home telephone numbers with your check.
- 6. GUESTS.** Guests who are sponsored by a member are allowed on trips. TPSC members have 5 days priority after the newsletter announcement to sign up for a trip. After 5 days, members may sign up one guest by including an additional amount on their check as follows (unless otherwise noted): for trips under \$50, there will be either member priority or a guest fee; \$10 for trips costing \$50-\$100; \$35 (cost of membership dues) for trips costing over \$100.
