

PRESIDENT'S CORNER

Hello Everyone,

The ski trips are complete. The joint trip with North Island to Copper Mountain was excellent with perfect weather, good snow, lots of fun and no injuries. Everyone had a good time. The snow at Mammoth is the best in years and should extend well into May. Let me know where you would like to ski next year. We are starting to make plans. We need some help with running the club this coming season. The monthly newsletter needs people to help put it together. Help is also needed to plan meetings and other events and to obtain speakers. Don't be afraid to step up and volunteer. It is the club members that keep our club running smoothly. Each person takes an activity and things get done without it being a burden to anyone.

Keep Participating. Joe

OPEN TOWER AND SPECIAL LIGHTHOUSE PRESENTATION - CABRILLO NATIONAL MONUMENT

Tuesday, March 22, 2016 - 9:30 AM for tower and/or 11:00 AM for lecture

\$10.00 per car entrance fee - unless you have a National Park Pass - or maybe you'll carpool

You are invited to join Karen Scanlon for a special presentation at Cabrillo National Monument. Three days a year the lantern of the Old Point Loma Lighthouse is open to the public. **The park opens at 9:00 AM**, and for those interested in climbing to the lantern, it's best to enter at that time and be the first to the lighthouse when **tours begin at 9:30 AM**. It's a bit of a climb up the winding stairs and then up an iron ladder into the lantern. This is the 125th anniversary of the last lighting of the old lighthouse.

At 11:00 AM we'll meet in the CNM Auditorium for a PowerPoint presentation and question/answer time with the lighthouse sisters Joan and Pat Dudley. They grew up at the Point Loma Light Station and will present, along with CNM volunteers Karen and Kim, *Growing Up at San Diego's Lighthouse*. Joan and Pat's father, Keeper James Dudley, kept the station from 1934 to 1950, through the war years and black out on Point Loma. This is a very special occasion.

You might consider bringing sack lunches and beverages and picnic at the park. Karen will be your guide and host for your visit.

Questions: Karen Scanlon at kwscanlon@gmail.com or call 858 272-7357.
