

## PRESIDENT'S CORNER

On behalf of our club, I would like to congratulate and thank Louise Oliverio and Brad Davis for a well planned and executed event on February 21- „The Magic Show at the Red Spade Theater“ in Old Town. Before the show there was a group dinner within walking distance in a private room. We received very good feedback after the event. Thus, I believe we might be able to put something similar together on a more regular basis called “Movies with Friends“. Please find details in the article of this newsletter. Hobe

**Movies with Friends:** The idea is to have a night out with members of our club to have dinner and see a movie together. The details can still be worked out and feedback is encouraged. However, one idea suggested by Nance Thielen would work like this: the organizer(s) select the movie, the Theater, the restaurant, the date and time and announce this at our monthly meeting. Thus, the event typically will take place a few days after our meeting. During the meeting the names of participants will be taken in order to make optional dinner reservations. Also, an e-mail distribution will announce the event. The details of the event will be determined by the organizers so it could be during the afternoon or evening. By announcing it at the meeting there will be immediate feedback and if there is no interest the event may be cancelled. Nonmembers are also encouraged to participate.

#### **THE CARLSBAD DESALINATION PROJECT - 4600 Carlsbad Blvd. in Carlsbad, CA**

**Tuesday, May 1, 2018**

**LIMITED TO THE FIRST 15 PEOPLE - RSVP is a MUST**

**MEET at the plant by 9:45 AM - TOUR BEGINS AT 10:00 - 11:30 AM**

**PLEASE MAKE ALLOWANCE FOR TRAFFIC TRAVEL TIME.**

The plant requires that you be able to walk a mile, there are some stairs, must wear closed-toe, low-heel, walking shoes, wear long pants, and photo ID may be needed.

This is the largest, most technically advanced environmentally sound desalination plant in the western hemisphere. You will observe the turning of more than 50 million gallons of fresh, desalinated drinking water per day to people in San Diego County. The plant uses 100 million gallons of seawater from the Pacific Ocean to begin the desalination process. It not only removes the salt but other minerals to produce extremely high-quality water. We will be able to sample this water supply right from the source.

**Details when you RSVP** to Barbara. I will need your phone and email address.

*\*\*\*Tours may be cancelled at any time by the plant due to weather or safety conditions.*

## Handlery Hotel and Resort in Mission Valley

950 Hotel Circle North, 619-398-8348

6:00 PM Social 6:45 PM Announcements 7:00 PM Program

Cathy Lee and Sara Bosher, from the Museum of Man, will discuss the new exhibit “Post Secret”. They will run an interactive postcard making workshop. Learn how the secrets are the currency of intimacy. PostSecret, which started in 2004, invites participants to anonymously write their secrets on handmade postcards. To date, the project has received over a million submissions, some of which have been displayed at the White House and featured in six best-selling books. Warren is working with the San Diego Museum of Man to create a new exhibit featuring postcards collected in San Diego, across the country, and around the world. (New exhibit opens April 14)
