President's Corner

HELLO EVERYONE,

I just returned from a marvelous Torrey Pines ski week at Mammoth. It was the best early January snow in memory, both quality and quantity. We arrived in a snow storm on Sunday and Monday morning was clear with four to six inches of champagne powder on a 10 to 18 foot base. Everything was covered. All the trails were open. One hundred percent operation is unusual for this time of the year. The temperature was low so thawing and refreezing was minimal, plenty of sunshine and little wind. As they say in Italian - "bella giorno, buono neve, no vento"- beautiful day, good snow, no wind.

Another storm came in on Wednesday night and dumped eight to ten inches more of champagne powder. Thursday was the best

powder day of the year. Some people say when they ski on this stuff, "I think I died and went to heaven". I say, "I think I'm back home in Colorado". It was a perfect day to celebrate my 75th Birthday.

All in all this was a great trip, good accommodations, plenty of happy hours and fun, and no injuries. It looks like this is going to be another record year so sign up now for the March 17-22 trip to Mammoth and don't get left out.

A special thanks to Eileen Frame for making room assignments, organizing the events and purchasing the groceries and thank you to Don Piller for getting the beverages.

Don't forget the Borrego Springs trip February 16 and 17.

Happy Skiing, Joe

On the Lift with Laura

Speaking at the February meeting on the San Dieguito River Park will be TPSC Past-President Carol Dickinson Carr. Carol joined the SDRP citizens' advisory board about ten years ago to represent cyclists. The SDRP is in the process of creating parkland and trails along the San Dieguito River from the coast near the Del Mar Fairgrounds to above Julian on Volcan Mountain. For the last eight years Carol has chaired the Trails Committee, the group that is in charge of designing the trails. The park and trails have been in development since 1980 as the SDRP gradually goes through the procedure of turning public and private lands into accessible parkland. Carol says, "Each time a new piece of trail opens up, it's a small miracle." A three-mile corridor from the fairgrounds to El Camino Real has recently been completed. East of that near the Helen Woodward Animal Center an area is currently being developed. The developer is obligated to put in the River Park Trail. Carol's committee makes

sure that the developers do what they're supposed to do. Carol's talk should be interesting and informative.

Carol grew up everywhere because her dad was a Marine. She received her B.S. from UCLA and her M.S. from the University of Redlands. She worked for the Port District for 20 years before retiring in 2000. In 1980 she joined Torrey Pines Ski Club and was on the Board of Directors from 1983 - 1996 serving as assistant treasurer, treasurer, vice-president, president (1988-89), and newsletter editor. She was active in biking and our race team and served a term as treasurer of the San Diego Alpine (racing) League.

These days Carol builds sets and ushers for the North Coast Repertory Theatre, is active in the San Diego Bicycle Coalition and often can be seen biking around the county.
