

**President's Corner**

Currently, the challenge to our club is to fill our ski trips. About a month before the January Mammoth trip is scheduled to leave, we have 20 people signed up instead of the 30 people needed and the Park City trip is going with a reduced number of only eight people. The reason is obvious: we are getting older and our hearts want to go, but the body says no. Since most clubs have the same problem, we have been talking with "Don Diego" and "Get Off Your Rockers" about combined trips. Probably our future ski trips will be handled by either the Council, the FWSA or will be joint adventures with other clubs.

On the other side our social activities are doing great: our meetings, happy hours, special events and our picnics are well attended. Furthermore, our membership is holding steady when most of the other ski clubs not only in San Diego, but all over the country are losing members. We have been in the process to change from a purely ski club to a sport and social club and this process has been very successful. **The big event planned for the year 2012 is our 50<sup>th</sup> Anniversary.**

I wish everybody a happy and healthy year 2012!

The Center has sport venues and support facilities for the Olympic sports of archery, BMX, canoe/kayak, cycling, field hockey, rowing, soccer, softball, tennis, track and field and triathlon

It is almost always sunny in beautiful Chula Vista, but it can get windy/chilly, so dress accordingly, layers of clothing are suggested. It is recommended wearing sunscreen, a hat and comfortable shoes. (About a one mile long Olympic path and view the many training centers.) It is suggested you bring a water bottle. Be sure to bring your camera, as you'll see some very unique venues and photo opportunities on your tour. You'll also get the chance to feel like a true Olympian while standing on their medal podium. Always bring an Olympic spirit as this facility trains some of the best and brightest athletes in the world.

## On the Lift with Laura

The newest member of Torrey Pines' officer line-up is Clint Messerschmidt. Clint was born in Wichita, Kansas but grew up in San Diego. He graduated from Crawford High School and then entered the Navy.

Stationed at Long Beach Naval Station, Clint spent four years on a Fleet Oiler, a floating fuel station. After leaving the Navy, Clint went to work at General Dynamics/Convair as a Quality Assurance Inspector on the DC10 fuselage. He then moved over to Rohr Industries doing the same job on the entire line of Douglas aircraft, Boeing aircraft parts, and rocket engines. When Rohr became Goodrich, Clint became the FAA rep, making sure parts complied with FAA standards.

In his spare time, Clint is into pigeons. It all started when he was 12 years old and nursed an orphan pigeon back to health. Clint has been a pigeon enthusiast ever since, raising and showing various breeds of "fancy" pigeons. When he was 13, Clint got a job at the County Fair as an exhibit worker in the pigeon area. He has been employed by the Fair ever since, working his way up to his current position as an Exhibit Supervisor. He also judges pigeons at shows. When I sat him down for this interview he was showing and judging pigeons at a show in Linda Vista. (Of course, he doesn't judge the same classes of pigeons that he is showing.) Clint currently owns about 150 pigeons which he keeps at his place in El Cajon. His collection of pigeons includes English Trumpeters, American Fantails, Komorner Tumblers, and Russian Tumblers.

Clint joined Torrey Pines after a little encouragement from our club secretary, Diane Raines. So far he has been active in our social activities but he says he would like to learn to ski. Currently he is serving as our Meetings Chairman.

**TRIP RULES**

- RESERVATIONS.** A check for the full amount required, received by the trip captain, is a request for a reservation. The trip captain will make the initial count five days after the flyer postmark. Directors of the board and Officers will be given priority if they inform the trip captain before the initial count. If there are more checks than seats available, checks will be drawn at random until the trip is filled. The trip captain will strive to reach a 50-50 male-to-female ratio. Couples should send their checks in together and they will be drawn as a pair. All participants must sign a release before departure.
- CANCELLATIONS & REFUNDS.** In the event of your cancellation, a refund will be made only if the seat vacancy is filled or if monies are recovered by the club. There also will be a non-refundable cancellation fee for all cancellations whether or not your spot is filled as follows: \$10 for trips up to \$100; \$20 for trips \$100 - \$300; \$30 for trips above \$300. **There will be an additional \$20 charge for any returned checks.** All departure times, locations, lodging, and other travel arrangements are subject to change without notice.
- WAITING LIST.** On ski trips, those on the waiting list due to the lottery will be accorded priority seating on the trip announced in the following flyer if they inform the trip captain before reservations are confirmed, i.e., the fifth day after the mailing of that flyer.
- CHECKS.** Checks will be destroyed from those not going on that trip due to being on the waiting list.
- CONFIRMATIONS.** You MUST call and confirm your status with the trip captain UNLESS a SASE (self-addressed stamped envelope) is requested in the trip write up. You MUST include your work and home telephone numbers with your check.
- GUESTS.** Guests who are sponsored by a member are allowed on trips. TPSC members have 5 days priority after the newsletter announcement to sign up for a trip. After 5 days, members may sign up one guest by including an additional amount on their check as follows (unless otherwise noted): for trips under \$50, there will be either member priority or a guest fee; \$10 for trips costing \$50-\$100; \$35 (cost of membership dues) for trips costing over \$100. Guests, like members of TPSC, must be at least 21 years of age and agree to the club "General Release and Waiver."

**SASE = (Self Addressed Stamped Envelope)**

The board has adopted a trip policy wherein an increase of up to 10% can be added and will not constitute grounds for cancellation without penalty. This is due to fluctuating airline costs. **TRIP INSURANCE IS NOT REQUIRED, IT IS STRONGLY RECOMMENDED**
