

PRESIDENT'S CORNER

All current TPSC directors are willing to continue serving the club for another year and were elected during the membership meeting on May 2, 2017. We are looking forward to another successful TPSC year. This is the 55th Anniversary of the club's formation so we hope to plan a celebration sometime in the future. The May meeting with updates on the San Diego Airport were very informative and well attended. We are planning to continue making our monthly meetings interesting and informative. We feel that we have the best equipped meeting facility of all ski clubs in San Diego and will continue to include our meetings in the budget. Please let us know if you are interested in special subjects. Last but not least, I would like to thank Diane and Clint for another successful crazy bridge event at their house last month.

TPSC also sent along a check for \$100.00. **SDMOM** serves the junior enlisted military families (mostly ranks E-5 and below), typically headed by 19-23 year olds, with young children, away from home, and trying to survive in our expensive economy.
